

**24Hour ECG Questionnaire Results September 2016 to July 2017**

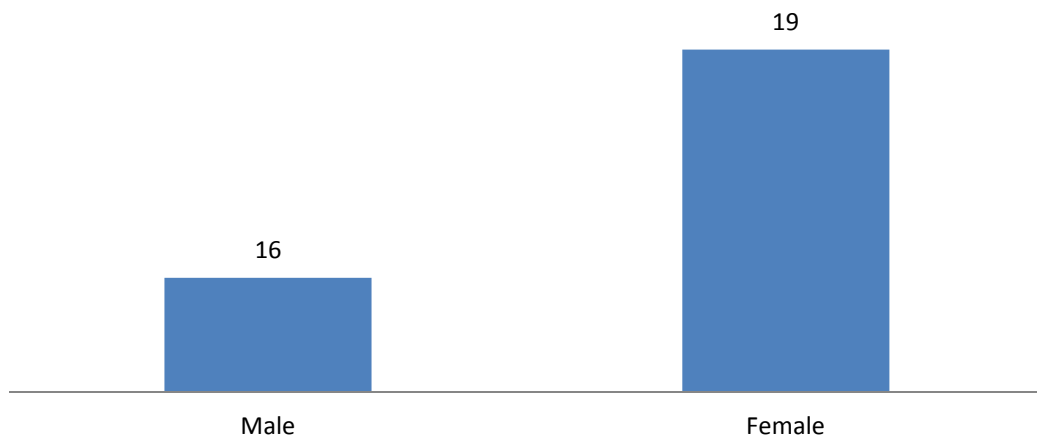

Age Categories:

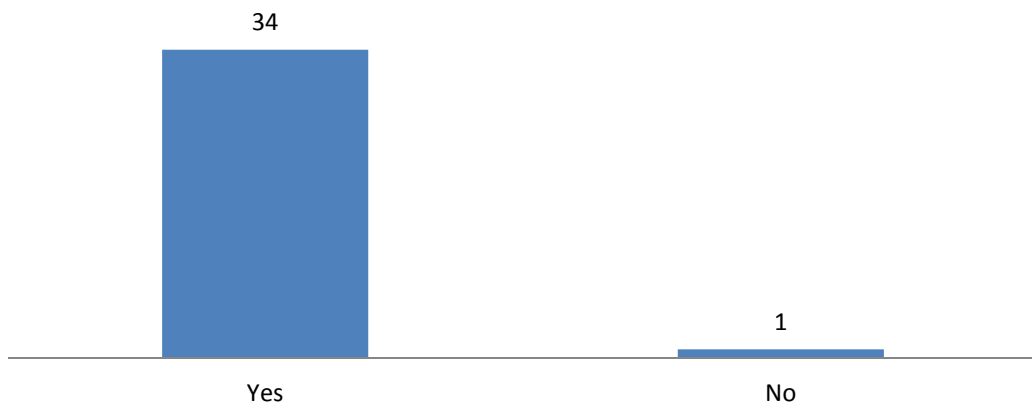

Ethnicities:

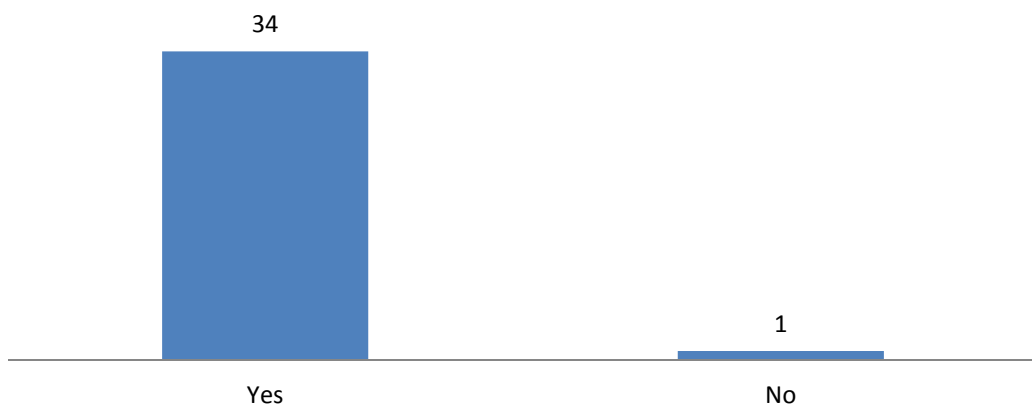

Male/Female:

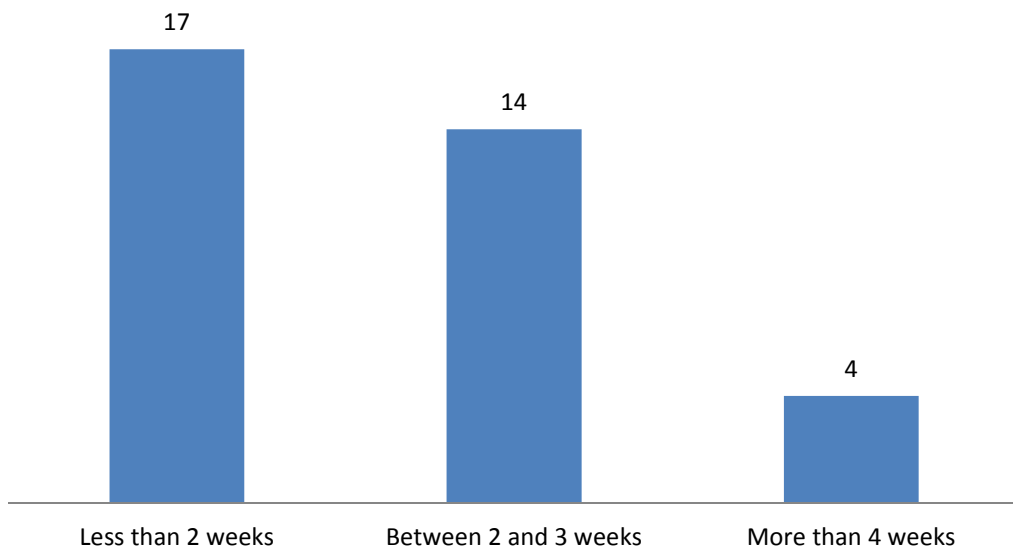

1. Was local access to the surgery satisfactory?

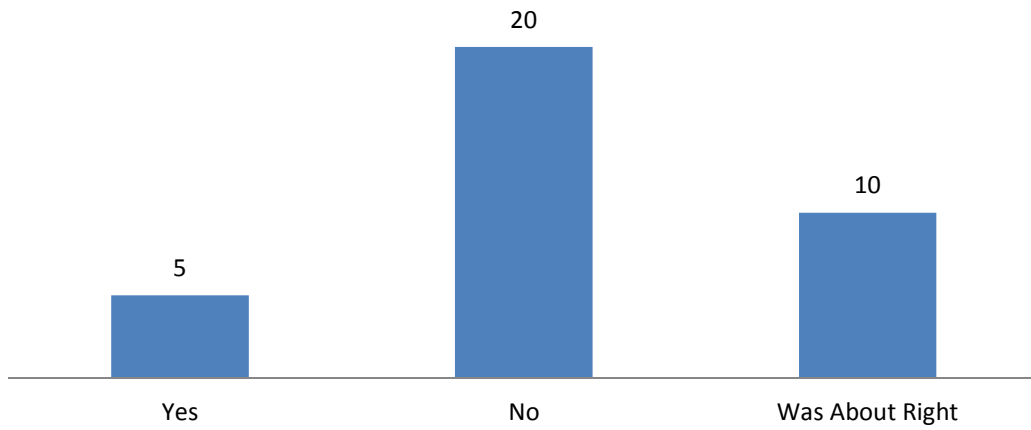

2. Did your GP explain the reasons why you were being referred for the test?

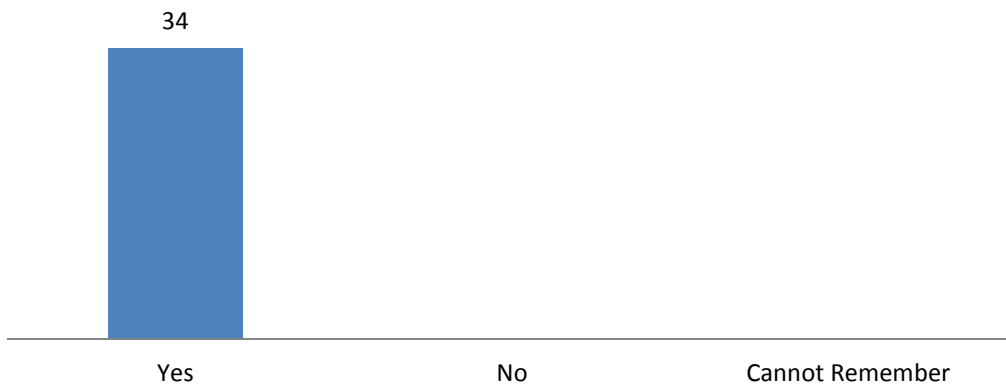

3. How long did you have to wait to get an appointment for your test?

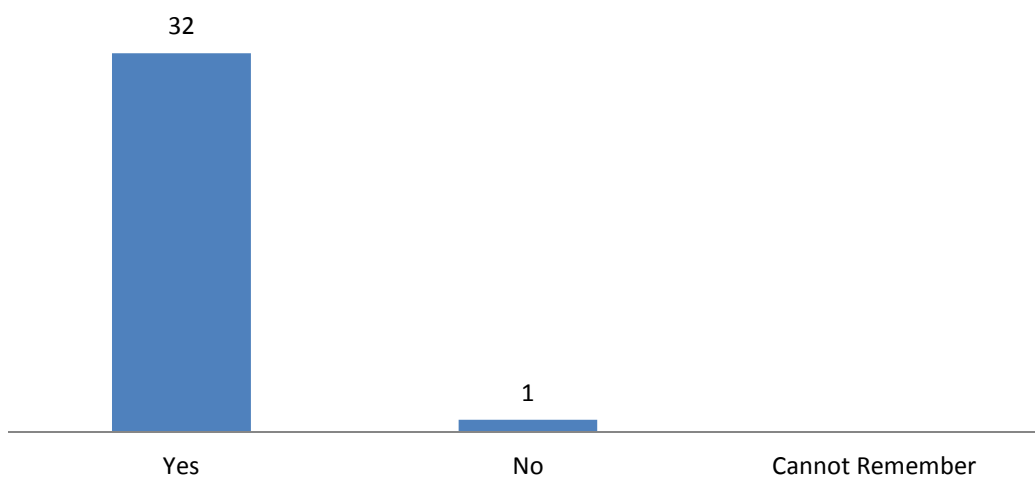

4. Was this longer than you expected?

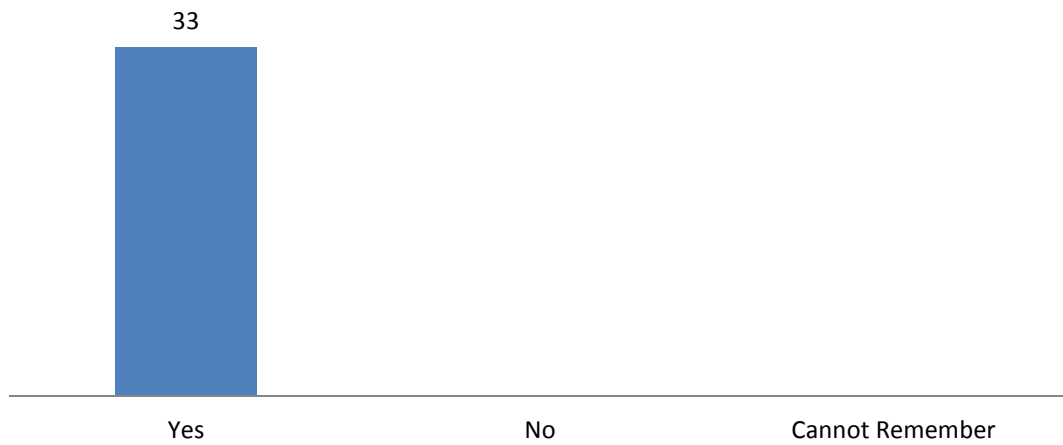

5. When you had the test, did the nurse explain the procedure and put you at ease?

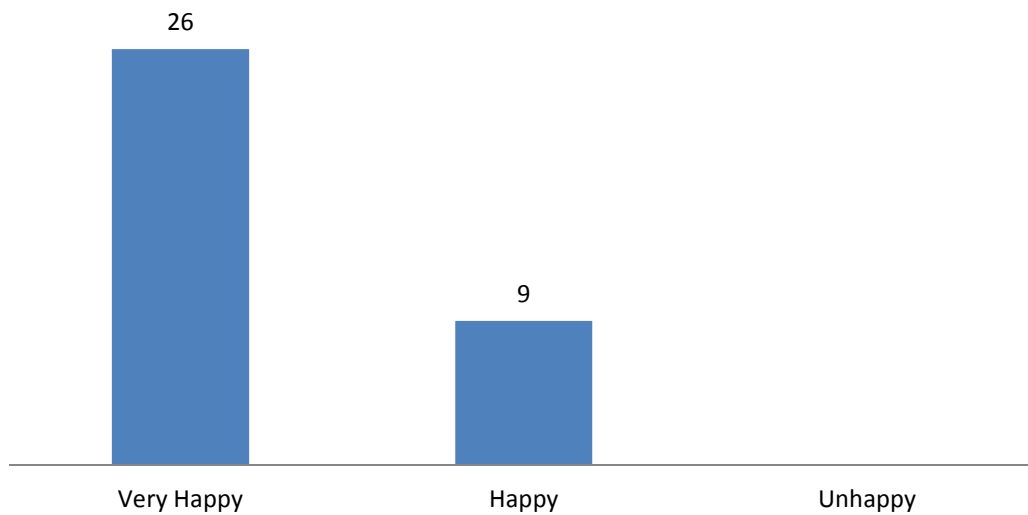

6. After your test, did the nurse inform you what would happen regarding the results of your test?

7. Did you discuss the results of your tests with your GP within a reasonable time frame?

8. How happy were you with the service that you received from Northgate Medical Practice?

Comments:

The nurses really do a remarkable job

As ever, we receive excellent service from the practice

A well organised practice and professional, empathetic staff, keep it up

I have always been very pleased with everything at the surgery
