

We would love your feedback

We have created a poster and leaflet about young onset dementia - they are on display in this GP surgery.
We would love your feedback so we know if they are effective in raising awareness.
Please complete this feedback form and hand into reception.

	Yes	No	Don't know	If you would like to comment further, please do so here
Have you heard of young onset dementia before?				
Did you notice the poster about young onset dementia?				
Did the poster inform you of any new information?				
How could the poster be improved?				
Did you read the leaflet about young onset dementia?				
Did the leaflet inform you of any new information?				
How could the leaflet be improved?				
Any further comments				

If you would like to join the Young Dementia Network or find out more about young onset dementia, please visit www.youngdementiauk.org. Thank you!
